

## 2<sup>nd</sup> Grade Grading Policies and Scale

- All class work is expected to be completed neatly and in a timely manner.
- All homework is expected to be completed neatly and returned the following day unless it is a longer term project.
- Late papers will be noted in option C.
- Missing homework and class work assignments will result in a lower effort grade.

### Grading Scale:

100-93: E

92-86: G

85-77: S

76-70: N

Below 70: U

Effort grade is based on participation in class and work completed neatly and in a timely manner.

Mad Minutes are weekly math drills on quick recall of facts. The scale is as follows:

Baseline= E

If they improve by 5 or more= E

If they improve= G

If they get the same correct as their best score= S

If they get fewer correct than their best score= N

If at 85 correct or above, student will always get at least a G
