I cannot believe we have already come to the end of the 1st quarter! I look forward to meeting with you on Sunday to discuss your child's academic and social progress. Please let me know if you cannot make it, we can find another time to meet or have a phone conference. Please bring any questions you have whether it is about academics or the social-emotional components of school.

We continued reading The BFG this week. We communicated to other classes around the world using Twitter and Skype, we responded to questions they posed and offered our own insights and predictions through tweets! Our class Twitter is ReadingRaiders2! Take part as a parent by asking your child what is happening in the story as we read it over the next 6 weeks with classes around the world!

To reiterate from prior newsletters- As we begin our focused sacrament preparation, the best way to support what your child is learning is to practice and talk about forgiveness at home both asking for it and receiving. Additionally, when the chapter reviews come home before a test, the other side is a helpful home connection tool. Make sure your child is practicing the Act of Contrition!

***Please remember to check Option C weekly for your child's conduct grade.

Have a great weekend!
