2nd grade has jumped right into November! They are mastering subtraction with 2 digits and exploring how animals meet their needs in their habitat. On Wednesday, we said farewell to our Butterfly Friends as we released them into the Butterfly Garden. Make sure to check out the new hallway work: Food Chains!

We are continuing on our journey with The BFG. We communicated to other classes around the world using Skype. Take part as a parent by asking your child what is happening in the story as we conclude the book over the next couple of weeks with classes around the world!

To reiterate from prior newsletters- As we begin our focused sacrament preparation, the best way to support what your child is learning is to practice and talk about forgiveness at home both asking for it and receiving. Additionally, when the chapter reviews come home before a test, the other side is a helpful home connection tool.

Next week:

Phonics: Unit 5 Multisyllabic Words and New Suffixes

Reading: story- Abuelo and the Three Bears
skills- summarize, compare/contrast

Spelling: long /e/ words- list of 10 words will go home Monday in their agenda, **test Friday, November 18th**

Writing: Compare/Contrast (2 Habitats)

Math: Subtracting 2 Digit Numbers

Science: Environments for Living Things

Social Studies: Working to Meet our Needs, Junior Achievement with volunteer Mike Dunn (alumni and parent at CKS)

Religion: God's Mercy, **Act of Contrition Fill in the Blank Test Friday, Nov. 18th**

Word Wall Words: We will make flashcards to study these words. Students will be tested every two weeks on their ability to fluently read these words (spelling is not expected). **Test over words 51-60, Fri., November 18th**

-Words 56-60: Mr., Mrs., myself, nice, now

Have a FANTASTIC weekend!
